SMPS Northern New England is committed to making an SMPS membership accessible to all!

As part of this commitment, we are establishing a scholarship program that will cover the full cost of a membership renewal or new membership for existing or not-yet-members. As of Summer 2020, scholarships will be valued at \$399. Scholarship recipients will be reimbursed upon completing their membership registration at smps.org.

Scholarships will only be provided to individuals that wish to join or renew their membership for the SMPS Northern New England chapter. Recipients will pledge to join a chapter committee upon receipt of scholarship.
